We have postponed the showing of the Francis Chan DVD series from the NAB Triennial Conference till October. The three DVDs will be shown the first three Sundays in October at 7 PM for those who were not able to see the DVDs during the Sunday School hour in August.

If you are not able to see the DVDs at this time, they will be available in the church library as well.

The Emerging Journey leadership training will begin next Sunday at 5 PM. We will meet in the Adult 3 Sunday school room.

Mercy Hospital will be hosting an Applied Suicide Intervention Skills Training (ASIST) two-day workshop on December 6th and 7th at its Health Education Center. This workshop is designed for all community members and its goal is to enhance a caregiver's ability to intervene until either the immediate risk of suicide is reduced, or additional life-assistance resources can be found. Deadline for registration is October 26, 2012.
