Our annual business meeting is scheduled for Sunday, January 12. The annual reports need to be in to the office by January 5 to be compiled into booklets. A proposed constitutional change has been posted on the bulletin board.

We have a safer and more efficient method of getting funds to our mission partners in Mamukan village in Northeast Nigeria. We just recently sent \$6500 and the funds arrived in the targeted bank account in 24 hours. Ibrahim and the other brothers and sisters in Christ are extremely thankful for our partnership with them.

In a recent message from Ibrahim he said that they have a student who is planning to go to Bible college in preparation for becoming a pastor.

This young man's name is Mahmadu Musa. He will be the first person to go to Bible college from this village. Let's pray for Mahmadu as he starts Bible college in January.
