STEER Inc. is having their annual fall missions conference in Bismarck October 3 and 4. There will be a ladies luncheon as well as a men's luncheon and other events. There are brochures on the table in the foyer and more information on the bulletin board.

One of our missionaries, Carol Potratz, will be with us October 10 through 12. There is a sign up list on the bulletin board in the hallway for those who would like to have Carol in your house for a meal or if you would like to take Carol to a restaurant for a meal. This will be a fun way to get to know Carol. Feel free to invite others to join you!

The North Central Association meeting is in Fargo at Metropolitan Baptist Church and River City Church October 24 and 25. There will be sessions about missional leadership that will be really interesting. I encourage you to consider attending.

SHOEBOXES!!! It's time to start thinking about getting items for Operation Christmas Child.

The Bridges Backpack Food Program is a new partnership of Valley City Churches and the Great Plains Food Bank. Through the program, food is discreetly distributed at school so that children who could benefit have food for the weekend, including snacks and a few child friendly meals. You can make a donation. Checks can be written to “Faith Lutheran Church Foundation” with “BackPack Food Program” in the memo line. Mail to Faith Lutheran Church Foundation, PO Box 606, Valley City, ND 58072.

First Baptist Church Valley City is pleased to offer a preventive health event. Life Line Screening, a leading provider of community-based preventive health screenings, will host their affordable, non-invasive and painless health screenings on 10/21/2014. Five screenings will be offered that scan for potential health problems related to: blocked arteries which is a leading cause of stroke; abdominal aortic aneurysms which can lead to a ruptured aorta; hardening of the arteries in the legs which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat which is closely tied to stroke risk; and a bone density screening, for men and women, used to assess the risk of osteoporosis. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete. **In order to register for this event and to receive a \$10 discount off any package priced above \$129, please call [1-888-653-6441](tel:1-888-653-6441) or visit www.lifelinescreening.com/community-partners.**
