When things go from bad to worse, have you ever thought to yourself, “*Lord, what in the world are you doing?*” Habakkuk did at a critical time in his life, and when his nation was in trouble. We need to consider, as Habakkuk did, three responses when the Lord’s direction doesn’t coincide with how we think things should happen.

- When we question, what God is doing, keep doing our responsibilities. 1:12-2:1

- We need to wait for God’s direction while living by faith. 2:2-5

- We need to be in awe of God’s Sovereignty and let HIM handle the wicked. 2:6-20
