Numbers 25

When it comes to temptation, our desires & culture offer very little motivation to resist. More often than not, we hear voices yelling "*Give in! You deserve to be happy!*" In Numbers 25, Israel faced temptations. Some yielded to the temptations and lost their lives, but others discovered God's powerful insights that would enable them, and us, to walk in victory and stay true to God while living in a corrupt world! Let's find out what they are:

1. By resisting temptations persistence, with God's help. 1-3
2. By realizing there are consequences to disobedience. 4-9
3. By revering God as God, you receive lasting peace and blessing. 10-15
4. By following God's instructions, it will prevent future temptations. 16-18
