Our mission is to follow Jesus Christ by worshiping God,
loving people, and making disciples, all for the glory of God

A major problem people have in understanding God's love is that God is also just and must punish sin. This seems incongruent in man's way of thinking. So, "How does God's justice balance with His love?" There are two concepts that are important for us to believe and understand about God in Numbers 31. Let's learn together how God's love is manifested in His justice and punishment of sin.

1. We must all live by God's established truth— and because He is righteous, His justice is perfect, (1-24).

2. The promised hope for God's people is that His grace protects His human agents. (25-54)
