Learning How to Get

Numbers 32-33

Along with Others

Often, simple things can irritate us. Such as, when you squeeze the tooth paste, do you squeeze from the bottom, from the middle or anywhere? Facing and resolving differences between each other is a part of life. So, how do we learn to deal with differences between one another? Let's look at five steps that will help us deal with this issue, as the Israelites did, from Numbers 32-33.

1. *Clearly define the problem.* (32:1-16)
2. *Negotiate to find the solution that fulfills the Lord's directives.* (32:16-24)
3. *Decide what you will do to make the solution work.* (32:25-30)
4. *Wholeheartedly do what you promised to do.* (32:31-42)
5. *Be sure to follow through with God's commands.* (33:1-56)
