"True Teamwork:"

"What does it Take?"

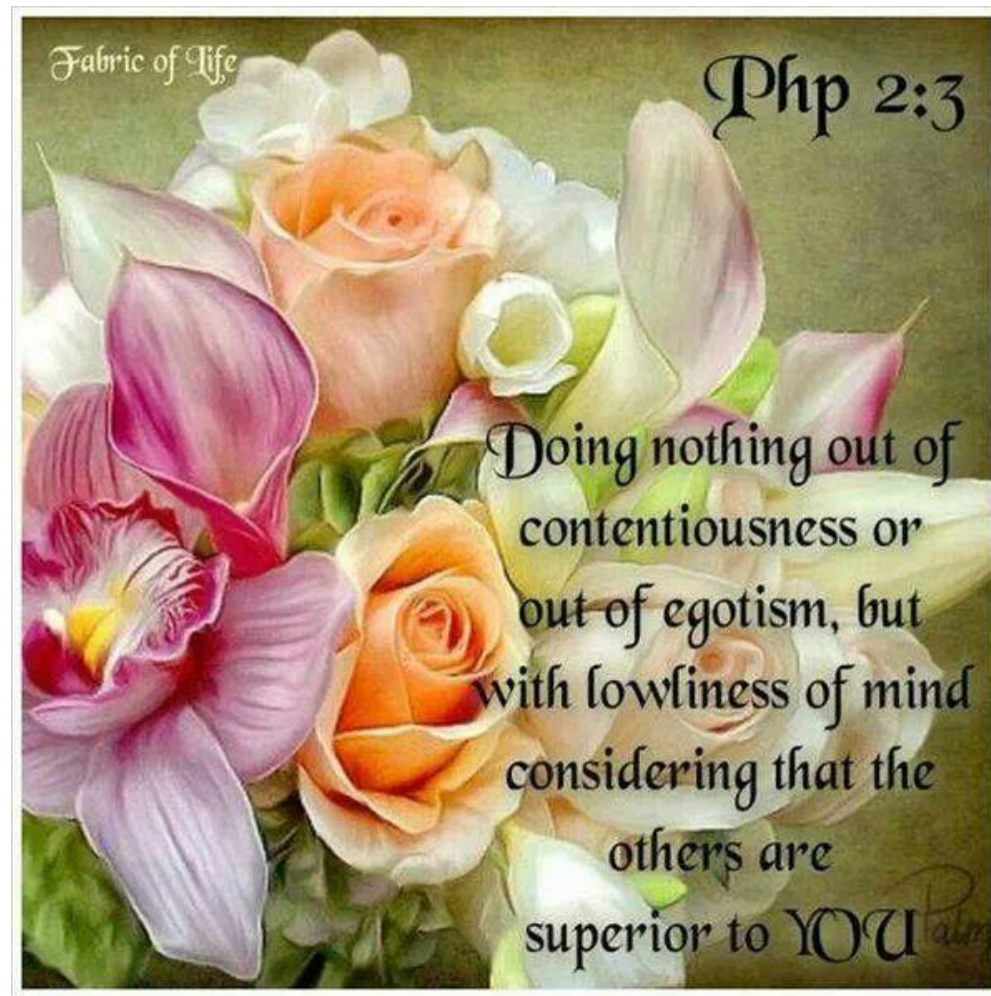

Philippians 2:1-11

A physical therapist worked with two ladies with debilitating strokes by getting them to play the piano together. This addressed their physical needs and they also gained a friend in the process. This is similar to what Paul was encouraging the Philippians to do in order to maximize true teamwork. Instead of allowing 'disabling' situations to divide them, he explains what it takes for true teamwork to happen. Let's discover how we can "make beautiful music together" as a body.

1. Build on what God has already composed for us. (1-2)

2. Put "US" above our own desires. (3-4)

3. Choose to play for God's glory. (5-11)
