Philippians 4:2-9

Just a few wayward sparks is all it takes to start a fire capable of burning through an entire city, like the Great Chicago Fire of 1871! It doesn't take much to send our emotions out of control either. So, how can we prevent an emotional spark to ruin our relationships? There are six steps outlined in Philippians chapter 4 that will snuff out the spark before a fire destroys our relationships. They are:

- ❖ **By getting involved. 2-3**
- ❖ **By having an optimistic spirit. 4**
- ❖ **By being gentle. 5**
- ❖ **By being poised. 6-7**
- ❖ **By thinking the best of a person. 8**
- ❖ **By learning from biblical examples. 9**
