Attention Parents:

We are starting to prepare for our Christmas Program! 'Finding the Joy of Christmas' is a program focused on the reason we celebrate our Savior's birth. It's a fun musical that will touch your heart.

We will be sharing this with the congregation December 17 during the worship service. We want as many children involved as possible! We will also be involving several people from our congregation including youth and adults.

If you are interested in having your child/children be part of this, please contact me. Hoping to have a head count by the end of the month. We will be starting to learn songs in the next couple of weeks during the Sunday School hour (9 am). It's an amazing opportunity for your child to spread the gospel and be part of the great commission.

If there are any adults/parents interested in helping with costumes, set, etc., let me know that as well! Looking forward to 'Finding the Joy of Christmas'!

In Christ,
