Our mission is to follow Jesus Christ by worshiping God, loving people, and making disciples, all for the glory of God.

There will be a church business meeting after church today. There will be two topics on the Agenda:

1. We will be voting on a proposal to fix the erosion and plant new grass on the hill east of the church that goes from the parking lot level towards the highway. We will also work on the drainage issues we had in the southeast corner of the parking lot.

Estimated cost for the project will be about \$4,000.

2. We will also be voting on new members.
